VIII. Conditions to Effectiveness of this Agreement.

Upon the Execution Date, this Agreement shall be binding upon the Parties in accordance with its terms; provided, however, that the obligations of the NECC Trustee and the Debtor's estate under this Agreement are expressly subject to and conditioned upon entry of the Confirmation Order; and provided, further, that the effectiveness and finality of the provisions of this Agreement concerning the Releases (Section V) are expressly conditioned upon and subject to the following:

- a. The payment of the Settlement Amount to the NECC Trustee and the NECC estate by Inspira and the Insurers; and
- b. The occurrence of the Plan Effective Date.

For the avoidance of doubt, and without diminishing any other condition to the effectiveness of this Agreement or the Plan, it is expressly understood and agreed by the Parties that the Plan Release and the Plan Injunction are material, non-waivable conditions to the payment of the Settlement Amount and the effectiveness of this

Agreement, and that they will also be made material, non-waivable conditions to the effectiveness of the Plan.

In the event that: (a) the Plan Effective Date does not occur within one (1) year from the Execution Date; (b) the Bankruptcy Court denies confirmation of the Plan and such denial cannot be cured by amending the Plan in a manner that is either (i) not materially inconsistent with this Agreement or (ii) otherwise agreed to by the Parties; or (c) the Plan is withdrawn, then this Agreement shall immediately terminate and be of no further force or effect (the date of such termination, the "Termination Date"); provided, however, that such termination may be waived by unanimous written consent of the Parties. Upon the Termination Date, the Parties shall be restored to the same position they were in immediately prior to the Execution Date without waiver of any rights, claims, defenses or remedies that the Parties may have against each other. Within fifteen (15) days of the Termination Date, the Settlement Amount, plus any and all interest accrued thereon, shall be refunded to Inspira, Lexington Insurance, and Ironshore Specialty Insurance.

IX. Other Provisions.

- a. **Informed Consent and Knowledge.** The Parties expressly warrant and represent that they have had the benefit of the professional advice of attorneys of their own choosing, that they are fully satisfied with that advice, and that they have not relied on any statement or representation of other Parties to this Agreement regarding the specific matters in dispute. The Parties also represent and acknowledge that, in executing this Agreement, they do not rely and have not relied upon any representation or statement made by any other Party or any of their agents, representatives, or attorneys, with regard to the subject matter, basis or effect of this Agreement or otherwise, other than as specifically stated in this Agreement.
- b. **No Precedent.** The Parties stipulate that they have entered into this Agreement only for their own business reasons based on the unique circumstances presented by the Settled Claims, and that this Agreement creates no binding legal or factual precedent for themselves or others in any future case. This Agreement does not constitute an admission of coverage or noncoverage, and is not based upon language in the Policies.
- c. **Confidentiality.** The Parties agree, subject to any disclosure obligations imposed by law, to hold this Agreement confidential and not to disclose the terms of this Agreement to any Person, other than the Creditors' Committee and the Plaintiffs' Steering Committee, until the NECC Trustee files this Agreement with the Bankruptcy Court; provided, however, that after the Execution Date, the Parties may inform the Bankruptcy Court and/or the MDL Court that they have entered into this Agreement; provided, further, that the Plan Proponents may disclose the fact that they have reached a settlement, the settlement amount, and such other terms of this Agreement as may be reasonably necessary or appropriate to implement the Agreement and in order to obtain approval of the disclosure statement.

- d. **Cooperation.** Each Party agrees to take such steps and to execute any documents as may be reasonably necessary or proper to effectuate the purpose and intent of this Agreement and to preserve its validity and enforceability. In the event that any action or proceeding of any type whatsoever is commenced or prosecuted by any Person not a Party hereto to invalidate, interpret or prevent the validation, enforcement or carrying out of all or any of the provisions of this Agreement, the Parties mutually agree, represent, warrant and covenant to cooperate in opposing such action or proceeding.
- e. **Defense of Plan Release and Injunction.** The NECC Trustee agrees to undertake reasonable efforts to defend the Confirmation Order and the releases and injunctions contained in the Plan, including, but not limited to, the Plan Release and the Plan Injunction, from any collateral attack or challenge, whether related to NECC Claims or otherwise; provided, however, that the NECC Trustee shall not be required to incur more than \$100,000.00 in the aggregate in fees and expenses in doing so; provided, further, however, that as used in this Section IX.e, “collateral attack or challenge” shall not include any direct appeal of the Confirmation Order.
- f. **Entire Agreement.** This Agreement sets forth the entire agreement between the Parties and fully supersedes any and all prior agreements and understandings, written or oral, between and among the Parties pertaining to the subject matter hereof. Except as explicitly set forth in this Agreement, there are no representations, warranties, promises or inducements, whether oral, written, expressed, or implied, that in any way affect or condition the validity of this Agreement or alter or supplement its terms. Any statements, promises or inducements, whether made by any Party or the agent of any Party, that are not contained in this Agreement shall not be valid or binding. This Agreement shall have perpetual existence, except as otherwise provided herein.
- g. **Amendment/Modification.** No amendment or modification of this Agreement shall be binding or enforceable unless in writing and signed by the Parties and, if required, approved by the Bankruptcy Court.
- h. **Construction.** This Agreement is the jointly-drafted product of good faith arm’s length negotiations between the Parties with the benefit of advice from their own respective legal counsel and each of them has had sufficient opportunities to propose and negotiate changes to this Agreement prior to its execution. As such, no Party will claim that any ambiguity in this Agreement shall be construed against any other Party by reason of their identity as a drafter or insurer. The following rules of construction shall also apply to this Agreement:
 - 1. The Recitals and Definitions to this Agreement are a material part of this Agreement having the same force and effect as a mutual representation, warranty and covenant of the Parties;

2. Unless the context of this Agreement otherwise requires, (a) words of any gender include each other gender, and the word "it" may refer to a Person as the context requires; (b) words used in the singular or plural also include the plural or singular number, respectively; (c) the terms "hereof," "herein," "hereby" and derivative or similar words refer to this entire Agreement; (d) the words "include," "includes" or "including" shall be deemed to be followed by the words "without limitation;" (e) the word "or" shall be disjunctive but not exclusive; (f) the words "any" or "all" shall mean "any and all";
 3. References to Policies, agreements and other documents shall be deemed to include all subsequent amendments and other modifications thereto; and
 4. References to statutes shall include all regulations promulgated thereunder and references to statutes or regulations shall be construed as including all statutory and regulatory provisions consolidating or amending or replacing the statute or regulation.
- i. **Applicable Law.** This Agreement shall be interpreted and construed in accordance with the laws of the Commonwealth of Massachusetts, without regard to the conflict of laws of the Commonwealth of Massachusetts, except to the extent that any particular provision hereof may be governed by the Bankruptcy Code and Rules. Each of the Parties hereby irrevocably consents to the exclusive jurisdiction of the Bankruptcy Court with respect to any action to enforce the terms and provisions of this Agreement, and expressly waives any right to commence any such action in any other forum (unless the Bankruptcy Court does not have or refuses to exercise such jurisdiction). In any dispute arising from this Agreement, the Parties hereby waive any right to a jury trial. This Agreement is intended to be and shall have the effect of a document executed under seal in accordance with the laws of the Commonwealth of Massachusetts.
 - j. **No Admissions/Not Evidentiary.** This Agreement is not and shall not be construed as an admission or concession of coverage, responsibility, liability, non-liability or wrongdoing by any Party to this Agreement. No part of this Agreement may be used in any action or proceeding as evidence of the rights, duties or obligations of any Insurer under the Policies or otherwise.
 - k. **Successors and Assigns.** This Agreement shall be binding upon and inure to the benefit of the Parties hereto, and their respective successors, permissible assigns, agents, employees and legal representatives, including, without limitation, NECC and its bankruptcy estate, any trust or trustee, responsible Person, estate administrator, representative or similar Person appointed for NECC in connection with the Bankruptcy Case, the Plan or any subsequent Chapter 7 case. Except as expressly provided in this Agreement, neither this Agreement nor any of the rights and obligations set forth herein shall be assigned by any Party without the prior written consent of the other Parties, which consent shall not be unreasonably withheld.

- l. **No Rights of Third Parties.** All Persons expressly included within the definitions of "Inspira", "Juno Assurance", "Lexington Insurance", "Ironshore Specialty Insurance" and "NECC Trustee," are intended beneficiaries of this Agreement. The Parties agree that, except as set forth in the prior sentence or otherwise expressly set forth in this Agreement, there are no intended third party beneficiaries to this Agreement.
- m. **Enforcement of Agreement.** The Parties hereby acknowledge that money damages would be both incalculable and an insufficient remedy for any breach of this Agreement by any Party and that such breach shall cause the non-breaching Parties irreparable harm. Accordingly, the Parties agree that in the event of any breach or threatened breach of this Agreement by any of the Parties, the Parties, in addition to any other remedies at law or in equity that they may have, shall be entitled, without the requirement of posting a bond or other security, to equitable relief, including injunctive relief and specific performance.
- n. **Captions and Headings.** Captions and headings to paragraphs or sections in this Agreement are inserted for convenience of reference only and are not intended to be a part of or to affect the interpretation hereof.
- o. **Notice.** Unless another Person is designated in writing for receipt of notices hereunder, notices to the respective Parties shall be sent to the following Persons to the extent so designated below. All notices shall be sent via email and by either (i) overnight courier or (ii) fax, and shall be deemed effective upon receipt.

ADDENDUM NO. 2 TO SETTLEMENT AND RELEASE AGREEMENT

This Addendum No. 2 (the "Addendum No. 2") to the *Settlement and Release Agreement* dated as of December 3, 2014 (the "Agreement") is made as of December 3, 2014 by the NECC Trustee and the Creditors' Committee (collectively, the "Plan Proponents").

Capitalized terms not defined herein shall have the meanings assigned to them in Section 1 of the Agreement.

1. The Plan Proponents agree that the Plan shall contain the following defined terms, the definitions of which shall not be altered in a way that would be materially adverse to either Inspira, Lexington Insurance or Ironshore Specialty Insurance:

Entity. An individual, corporation, partnership, limited liability company, association, joint stock company, joint venture, estate, trust, unincorporated organization, government or any political subdivision thereof, or other person.

Person. Person has the meaning set forth in section 101(41) of the Bankruptcy Code.

Other Contributing Parties. Entities including, without limitation, Inspira and the Insurers.

Tort Claims. Any and all Claims, causes of action, civil actions and demands for or based on personal injury or wrongful death relating to the compounding, preparation, design, marketing, sale, distribution, fabrication, advertising, supply, production, formulation, use, administration, labeling or ingestion of any product produced, sold or distributed by the Debtor, including, but not limited to, MPA and other drugs compounded, designed, marketed, sold, distributed, fabricated, advertised, supplied, produced, or formulated by the Debtor (notwithstanding the identity of any subsequent marketer, distributor, retailer, wholesaler, other seller or administrator of such product), including, but not limited to, those civil actions pending in the MDL Proceeding or in any state court.

Tort Claimants. The holders of Tort Claims, or, in the singular, one such holder.

2. The Plan Proponents agree that the Plan and/or the NECC Tort Trust Agreement shall contain the following provisions, which shall not be altered in a way that would be materially adverse to either Inspira, Lexington Insurance or Ironshore Specialty Insurance:

Distribution of the Tort Trust Assets. The Tort Trustee shall distribute the proceeds of the Tort Trust Assets in accordance with this Plan, the Confirmation Order, the Tort Trust Documents and the Claims Resolution Facility Procedures. In connection with such distributions, and except as provided below in this Section 5.10, the Tort Trust shall be responsible for all reimbursement and reporting obligations imposed by the Medicare Act for the repayment of any claim related conditional payments made under Medicare Part A, B, C and D ("Conditional Payment") or any state's Medicaid or Workers Compensation statute. Before disbursing any Tort Trust Assets to any Tort Trust

Beneficiary, the Tort Trustee may enter into a global resolution with the Centers for Medicare and Medicaid Services ("CMS") to reimburse all Medicare Part A, B, C and D liens that are subject to repayment for Conditional Payments made pursuant to 42 USC 1395y(b) and the accompanying Medicare Part C and Part D statutes and Medicare reporting obligations pursuant to 42 USC 1395y(b)(8).

Pursuant to 42 USC 1395y(b)(8), defined Responsible Reporting Entities ("RREs") must report claims to CMS in the manner and time specified by the statute. If a global resolution with CMS cannot be reached, the Tort Trustee is authorized to enter into a separate agreement with each RRE to report on their behalf and if a separate agreement with an RRE is not reached, the Tort Trustee shall provide all of the information required for proper reporting under 42 USC 1395y(b)(8) to the appropriate RRE(s) or their authorized agent before disbursing any funds to any Tort Trust Beneficiary. If a global resolution is not reached and the Tort Trustee does not enter into an agency agreement with the appropriate RRE(s) before disbursing any funds to any Tort Trust Beneficiary (i) the Tort Trustee will collect the Tort Trust Beneficiary's first name, last name, date of birth, gender, social security number and any other information required for proper reporting of the claim to CMS pursuant to 42 USC 1395y(b)(8) and the Medicare Mandatory Insurer Reporting User Guide; and (ii) the Tort Trustee will provide all of the information required for reporting to the RREs within five (5) days of any Final Determination (as that term is used in the Claims Resolution Facility Procedures) of any claim.

In addition, if a global resolution with CMS cannot be reached, before disbursing any funds to any Tort Trust Beneficiary, (i) the Tort Trustee shall determine, or retain an appropriately qualified firm to determine whether any Conditional Payment has been made to or on behalf of the Tort Trust Beneficiary to whom a distribution of Tort Trust Assets will be made, and if any Conditional Payment has been made to or on behalf of such a Tort Trust Beneficiary, the Tort Trustee shall, within the time period called for by the Medicare Act, (a) reimburse the Medicare Trust fund, the appropriate Medicare plan or their authorized contractor for the appropriate amount and (b) submit the required information for the Tort Trust Beneficiary to the appropriate agency of the United States government; and (ii) the Tort Trustee shall otherwise comply with any requirements (including, but not limited to, any reporting or payment requirements) of any other federal or state governmental health insurance program and any state's Medicaid or Workers Compensation statute. Prior to the Tort Trustee reimbursing any Medicare Part A, B, C and D plan requiring repayment the Tort Trustee shall provide notice of the existence of any Conditional Payment(s) and/or other lien(s) to the Tort Trust Beneficiary and, if applicable, his or her attorney. The Tort Trust Beneficiary and/or his or her attorney may elect to negotiate the amount of the alleged conditional payments within 120 days of notice from the Tort Trustee, or prior to any deadline imposed by the Medicare Part A, B, C and D for reimbursement, whichever is sooner. If the Tort Trust Beneficiary or his or her attorney elect not to negotiate the alleged lien amounts, or the other lien(s) are not resolved within the time periods specified, with the Tort Trust Beneficiary's consent, the Tort Trustee may utilize the firm with experience in resolving liens to satisfy the Tort Trust Beneficiary's obligations represented by the Conditional Payment(s) and/or other lien(s). Upon receiving confirmation of the final Medicare Part

A, B, C and D amount requiring repayment, the Tort Trustee will reimburse the appropriate Medicare Part A, B, C and D plan or their authorized contractor. Any payments made to resolve such obligations of the Tort Trust Beneficiary, together with the fees paid to the lien resolution firm, shall be deducted from the Tort Trust Beneficiary's distribution of Tort Trust Assets prior to disbursement of the balance to the Tort Trust Beneficiary or his or her counsel.

The Trustee, the Post-Effective Date Debtor and the Post-Confirmation Officer shall have no responsibility or liability for (i) the creation, existence, operation or administration of the Tort Trust; (ii) any acts or omissions of the Tort Trustee in administering the Tort Trust; (iii) any reimbursement and reporting obligations under the Medicare Act or any state's Medicaid or Workers Compensation statute; or (iv) any payment or non-payment of Claims. The Tort Trust shall indemnify and hold harmless the Trustee, the Post-Effective Date Debtor and the Post-Confirmation Officer from any and all claims, losses, causes of action, demands, liabilities, expenses, fees, including, but not limited to, attorneys' fees, and costs of any kind arising from or relating to (i) the creation, existence, operation or administration of the Tort Trust; (ii) any acts or omissions of the Tort Trustee in administering the Tort Trust; (iii) any reimbursement or reporting obligations under the Medicare Act or any state's Medicaid or Workers Compensation statute or (iv) any payment or non-payment by the Tort Trust to any Tort Trust Beneficiary. Prior to making any Tort Trust Distribution, the Tort Trust shall retain sufficient funds to meet the fees, costs and expenses of the Tort Trust.

Resolving Liens Other than Imposed By the Medicare Act and States' Medicaid and Worker Compensation Statutes. Before disbursing any Tort Trust Assets to a Tort Trust Beneficiary, the Tort Trustee shall ensure that other liens that the Tort Trustee has received notice of have been resolved or have been otherwise satisfied. To that end, the Tort Trustee shall provide notice of the existence of any such lien(s) to the Tort Trust Beneficiary and, if applicable, his or her attorney, and it shall be the Tort Trust Beneficiary's (or his or her attorney's) responsibility to resolve such lien(s) against the Tort Trust Beneficiary's anticipated distribution of Tort Trust Assets within 120 days of notice from the Tort Trustee. If the lien has not been settled or otherwise resolved within this 120 day time period, with the Tort Trust Beneficiary's consent, the Tort Trustee may retain a firm with experience in resolving liens to satisfy the Tort Trust's Beneficiary's obligations as represented by the lien(s). Any payments made to resolve such lien(s), together with the fees paid to the lien resolution firm, shall be deducted from the Tort Trust Beneficiary's distribution of Tort Trust Assets prior to disbursement of the balance.

3. Nothing in this Addendum No. 2 is intended to or does modify the Agreement in any respect.
